

# Recruitment Events 2007 - 08

## Recruitment Schedule Fall 2007/Spring 2008

Partial as of August 10, 2007

Each year, the UF LAW representatives participate in recruiting events throughout the country to meet prospective law students. Individual campus visits will also be scheduled.

This is a partial list and will be expanded over the coming weeks. Please revisit this portion of our site in late August/early September.

It would be our pleasure to meet you personally on your campus or at a recruiting event, so we can answer questions you may have about UF LAW.

We look forward to speaking with you.
