**FALL 2007 GRADUATING CLASS GIFT PLEDGE FORM - PARENT CHALLENGE!**

Parents! This is your opportunity to support your student's fund raising efforts. The class gift program has been a great success the last few years as students realize the value of the legal education they have received. Upon graduation, the class gift leaders will present a check to the law school based on the total pledged by the class. Since 2002, the class gift has ranged from \$40,000-\$60,000! This year, we'd like to challenge the parents to match the level of giving committed by the students who have yet to begin their careers.

**Why give?**

- ◇ Private support increases the value of your student's law degree. As state budget cuts continue, we rely more and more upon private support to improve the quality of education and continue to improve the status of holding a UF Law degree which makes our students more valuable in the marketplace.
- ◇ It allows the College to compete nationally at the highest levels, by recruiting & retaining top faculty, offering distinguished lectures & special programs, offering scholarships, and allowing our student intramural teams to travel to national competitions! (It has paid off with 2 national titles in the last year!)
- ◇ With one of the lowest tuitions in the country, and certainly the lowest for a quality education, a UF Law education is quite a bargain!
