

CALI publishes over 390 computer-based tutorials in over 29 different legal subject areas. The lessons use a variety of formats and methods for teaching doctrine, analysis and critical thinking skills.

CALI Lessons are available for free to law students who attend dues-paying CALI-member law schools.

How can I get CALI lessons?

\* from this website, run as a series of web pages (<http://www.cali.org/students.html>.) Ask at the Reference Desk for the logon password,

\* from this website, downloaded to run offline on your computer,

\* by purchasing the CALI Law Student CD-ROM from this website( ask at Reference Desk). A disk may have been included in your College of Law Orientation Packet.
