

Vietnamese American Bar Association
Of the Greater Washington, DC Area
2012 Scholarship

VABA-DC was established, in part, to contribute to the public interest by serving as a voice for the local Vietnamese American community and assisting community members with legal concerns. In furtherance of that mission, we are proud to sponsor up to two \$1,000 scholarships for law students who have ties to the East Coast and who have demonstrated a commitment to serving the Vietnamese American communities in that region. Scholarship recipients are selected on the basis of community service, academic performance, essay, and to a more limited extent, their connections to the Vietnamese American community on the East Coast. The scholarship recipient(s) will be expected to attend a VABA-DC Scholarship Dinner in their honor to be held on April 12, 2012.

Award: \$1,000

Deadline: Postmarked no later than March 9, 2012
