**Comments on the final examination schedule.** Students schedules to take two examinations on the same calendar day may postpone one of the exams. Students should address requests for exam delays for this or any other reason to the Assistant Dean for Student Affairs. Exams must be written in the rooms assigned for that purpose unless special permission is given by the instructor to take the exam elsewhere. Students wishing to type exams may take their exams in rooms 312H, 350 and 354. Students taking exams must leave alternate seats vacant.
