Faculty and ADA Proxy Borrower Application

Faculty (and patrons registered under the ADA) may request to establish another person as a proxy borrower. This person is able to borrow books on behalf of the faculty member, with the same loan periods and privileges that said faculty would have in person. Since Gator1 cards are nontransferable, a separate card will be issued to the primary card holder to be used by whomever they designate. All material charged on that card is the responsibility of the faculty member who has authorized the borrowing.

This privilege is intended to help faculty in their research work for the University, not for any other purpose.
