Remote Collection Unit

Remote Collection Advantages

- Clients do not have to be without their computers and cell phones.
- Clients pay a flat fee and save money!
- Clients do not pay a forensic expert an hourly fee for travel.
- Clients do not have to travel to meet a forensic expert.
- Able to collect evidence wherever FedEx delivers.
- Collection process is defensible.
- Collection unit is fully encrypted.
- No self-collection so fewer chances of spoliation claim and evidence tampering.
- No IT involvement or support issues.
