

CURRICULUM VITAE

THOMAS T. ANKERSEN

Professor Ankersen directs the University of Florida Conservation Clinic, the experiential learning arm of the College's Environmental and Land Use Law Program. The Clinic provides legal support to communities and stakeholder groups pursuing conservation objectives. Ankersen serves as Florida Sea Grant's Statewide Legal Specialist. He also directs the College of Law's Costa Rica Program – Sustainable Development: Law, Policy and Professional Practice. He practices and teaches domestic, international and comparative environmental law with an emphasis on Florida, Latin America and the Caribbean. Internationally he has worked and/or taught in 30 countries, with a focus on Latin America and the insular Caribbean.
