**MEETING TIME:** Thursdays 10 AM – 12 PM

**LOCATION:** Clinic Suite (meet in the UF Law Welcome Center office on first day of class)

**COURSE DESCRIPTION AND OBJECTIVES:**

The Gator TeamChild Juvenile Law and Policy Clinic provides free legal services to children and gives students an opportunity to advocate for children regarding a broad spectrum of issues.

The Clinic provides representation primarily in dependency proceedings.

The Clinic provides presentations to outside agencies, high school and university classes, and others interested in juvenile law. Students may be required to present on a variety of topics related to juvenile law during the semester.

The Clinic writes policy papers, white papers, and other documents aimed at informing young people, their families, and their communities about issues related to juvenile law and children's rights. Students will be required to contribute to these written documents during the semester.

**STUDENT LEARNING OUTCOMES:**

Upon completion of this course, students should know how to:

1. Understand the dependency and delinquency court system.
2. Interact with professionals from various agencies and in opposing positions.
3. Utilize law office case management systems.
4. Navigate systems embedded within various administrative agencies.
5. Speak and write about legal issues to various audiences including non-lawyers.

**REQUIRED READING MATERIALS:**

Please be sure to register for the Canvas course and have any required materials with you in print or easily accessible electronic form in class. You are responsible for checking your Canvas page and the e-mail connected to the page on a regular basis for any class announcements or adjustments.

*What Happened to You*, by Bruce Perry and Oprah Winfrey

Please also bookmark Florida Statutes Chapter 39, and if you can, skim the chapter. We will reference it often this semester. Please also bookmark the Dependency Benchbook. It will be a helpful resource this semester (Word and PDF version available here:

<https://www.flcourts.gov/Resources-Services/Office-of-Family-Courts/Family-Court-in-Florida/Dependency/Dependency-Benchbook>)

### **COURSE EXPECTATIONS AND GRADING EVALUATION:**

This course is graded Satisfactory or Unsatisfactory. For Further information on current UF LAW grading policies, see: <https://catalog.ufl.edu/ugrad/current/regulations/info/grades.aspx>

Your grade will be based on written assignments, class participation, management of case assignments (see minimum case requirements below), quality of preparation and performance during class exercises and role plays and class attendance.

There is no final exam.

### **Journal Entries**

Beginning in the second week of the semester, you must submit a journal entry each month, reflecting on your experiences in the clinic over the previous weeks or on the legal system more broadly. Journal entries are due on the last day of each month by 11:59pm. Please submit these entries via Canvas.

Your entry should be between two and four double spaced pages.

Please write a few paragraphs each week, but only submit them on the monthly due date as one document. You have many choices on what to cover each week. Here are a few suggestions:

#### *Writing about work:*

It is helpful, but not required, to begin these entries with a brief description of what you did or saw in the previous month.

#### *Writing about law practice generally:*

If it's been a slow week at the office, or if something else in the news or in the class readings or in your life experience bearing on the legal system has grabbed your attention, please feel free to discuss these other matters. Again, the aim is to reflect on the legal system and children's lives. Within that realm, you are free to explore widely.

The purpose of maintaining your journal is to encourage you to comment on the legal system as you see it. Ask yourselves whether the system is working, whether the various players are doing their jobs, and whether children are getting a fair shake.

How could the system work better? What can you do to improve it, in your role? Do you like your role?

*Offering suggestions:*

These journal entries also may serve as a forum for you to provide suggestions about the clinic. You may note that you would prefer a different classroom focus; that you would like different kinds of cases; or that you are having difficulties and want extra guidance.

### **CLASS ATTENDANCE POLICY:**

Attendance in class is required by both the ABA and the Law School. Attendance will be taken at each class meeting. Students are allowed two absences during the semester. Students are responsible for ensuring that they are not recorded as absent if they come in late. A student who fails to meet the attendance requirement will be dropped from the course. The law school's policy on attendance can be found [here](#).

### **UF LEVIN COLLEGE OF LAW STANDARD SYLLABUS POLICIES:**

Other information about UF Levin College of Law policies, including compliance with the UF Honor Code, Grading, Accommodations, and Course Evaluations can be found at this link: <https://ufl.instructure.com/courses/427635/files?preview=98226140>.

### **CLASS RECORDINGS**

GTC is a legal live-client clinic and as such must adhere to the Florida Bar Rules of Professional Conduct. According to Rule 4-1.6, all information relating to a client's representation is **confidential** and may not be voluntarily disclosed by the lawyer without either the client's consent or the application of a relevant exception to the confidentiality rule. **Because client information is frequently discussed during class, GTC classes will not be recorded, and student recording of the classes is prohibited.**

Students may not take, circulate, or post photos or videos of classroom discussions, whether they are in-person, hybrid, or completely online. Students failing to follow this rule will be referred to the College of Law Honor Code Council and the University's Office of Student Conduct and Conflict Resolution.

### **ABA OUT-OF-CLASS HOURS REQUIREMENTS**

ABA Standard 310 requires that students devote 120 minutes to out-of-class preparation for every "classroom hour" of in-class instruction. Since we hold case rounds or attend court in lieu of many classes, please plan on spending 175 hours per semester on our class. This includes class

time, case rounds, reading for class, case work, court attendance, and any other event or project you are assigned by Professor Steinberg or your field placement supervisor.

You are required to keep track of this time and submit time sheets showing that you have completed approximately 10 hours of out of class/client/field placement work each week. If permitted by your field placement supervisor, this can include class preparation and other assigned tasks associated with our class, however, field placement students must add additional out-of-class time for any time they are excused from class due to case rounds.

You are permitted to work ahead on your hours, but please ensure you do not fall more than one week behind on recording your assigned hours.

## **COURSE SCHEDULE OF TOPICS AND ASSIGNMENTS**

This syllabus is offered as a guide to the direction of the course. Our pace will depend in part on our case load and the issues coming up in our cases.

All assignments and readings should be completed before class each week.

### **Clinic Commitment Ceremony – August 19<sup>th</sup> 5:30 – 7 PM (HOL 180/Bailey Event Space)**

#### **Week One**

Please keep track of your hours worked on clinic assignments beginning this week.
