**THE REQUIRED TEXT FOR THIS CLASS IS** CHARLES M. HAAR & MICHAEL ALLAN WOLF, LAND USE PLANNING AND THE ENVIRONMENT: A CASEBOOK (2010).

**ADDITIONAL ASSIGNMENTS WILL BE POSTED ON THE CANVAS CITE FOR THIS COURSE**

- *be experienced in using cases as tools for advancing a client's interests,*
- *appreciate the many intersections between modern American land use regulation and environmental and sustainability law,*
- *write well-organized answers to essay questions that spot issues, relate the relevant law to the pertinent facts, and resolve those issues,*

- *understand the diverse and evolving local government toolbox for regulating land use.*

## COURSE POLICIES:

**ATTENDANCE POLICY:** *The law school's policy on attendance can be found at: <http://www.law.ufl.edu/student-affairs/current-students/academic-policies#3>. Each student is permitted five class absences during the semester. Within one week of missing class, you are responsible for reporting to me via email that you missed class. There is no need to explain your absence, as I do not differentiate between excused and non-excused absences. I reserve the right to reduce the grade for a student with excessive absences and to bar the student from taking the final exam.*

**INTERNET USE IN THE CLASSROOM:** *I expect that during each class all students will be prepared to conduct research on the internet (usually Lexis or Westlaw) using a laptop, tablet, or other means. Of course, students are not to use these devices (including smart phones) for any non-pedagogical purposes.*

**ACADEMIC HONESTY:** *Academic honesty and integrity are fundamental values of the University community. Students should be sure that they understand the UF Student Honor Code at <http://www.dso.ufl.edu/students.php>.*

## GRADING POLICIES:

*I expect that students will have done the assigned readings for each class. I will rely on student participation to facilitate the learning of challenging concepts. In addition, students will be given specific assignments for class participation. Students who participate at a consistently high level may be rewarded by a one-half grade bump (e.g., from B+ to A-). I reserve the right to lower the grades of students who disrupt the learning environment by a one-half grade bump.*

**THERE WILL BE ONE GRADED TEST DURING THE SEMESTER:** *The only graded test will be an unlimited-source, open-book final examination. You will be able to choose the day during the exam period on which to take your exam.*

**GRADING SCALE:** *The Levin College of Law's mean and mandatory distributions are posted on the College's website and this class adheres to that posted grading policy. The following chart describes the specific letter grade/grade point equivalent in place:*

Letter Grade	Point Equivalent
A (Excellent)	4.0
A-	3.67

The law school grading policy is available at: <http://www.law.ufl.edu/student-affairs/current-students/academic-policies#9>.

### WORKLOAD/CLASS PREPARATION:

*It is anticipated that you will spend approximately 2 hours out of class reading and/or preparing for in class assignments for every 1 hour in class.*

## ACCOMMODATIONS:

Students requesting accommodation for disabilities must first register with the Disability Resource Center (<http://www.dso.ufl.edu/drc/>). Once registered, students will receive an accommodation letter which must be presented to the Assistant Dean for Student Affairs (Dean Mitchell) when requesting accommodation. Students with disabilities should follow this procedure as early as possible in the semester.

## ONLINE COURSE EVALUATION PROCESS:

Students are expected to provide professional and respectful feedback on the quality of instruction in this course by completing course evaluations online via GatorEvals. Guidance on how to give feedback in a professional and respectful manner is available at <https://gatorevals.aa.ufl.edu/students/>. Students will be notified when the evaluation period opens and can complete evaluations through the email they receive from GatorEvals in their Canvas course menu under GatorEvals or via <https://ufl.bluera.com/ufl/>. Summaries of course evaluation results are available to students at <https://gatorevals.aa.ufl.edu/public-results/>.

## CLASS READINGS:

You will find below a list of the topics that I anticipate we will cover during the semester, along with a rough estimate of how many classes per topic. Please note, however, that the pace at which we cover the materials in our reading list will depend on your pace of learning. I will not leave a topic until I believe that the students who are prepared for class have a good understanding of the material. In the event we are moving more slowly than anticipated, I will not speed up to cover all of these readings. Instead, I will make cuts in the assigned readings.
