Class Attendance

Attendance is mandatory and you are expected to be on time. Beginning in the second week of the semester, you will be required to sign an attendance sheet for every class. However, I understand that circumstances beyond your control may cause you to miss classes. Therefore, each student is allowed to have two (2) absences with no negative consequences. Provided that your total number of absences does not exceed two (2), you do NOT have to notify me of the absences in advance or provide any justifications for them.

If you expect your total number of absences to exceed two (2), however, please do notify me in advance of the anticipated absences. If the circumstances causing the anticipated absences are extraordinary—a determination to be made by me alone—I may exempt you from the class attendance policy for the absences. Extraordinary circumstances include, but are not limited to, medical emergency (with doctor's note), protracted illness (with doctor's note), and job interviews (with interviewer's note). Absences due to observance of religious holidays are exempted from the class attendance requirement, too.

If your total number of absences in the semester exceeds two (2) and you did not obtain advance approval from me, I reserve the right to lower your final grade by one level (A to A-, Ato B+, and so on). If your total number of absences in the semester exceeds six (6) and you did not obtain advance approval from me, I reserve the right to lower your final grade by two levels (A to B+, A- to B, and so on).
